End to end network solution
 Copper & Fiber Cable & Connectivity
 Cable Routing & Management
 Racks & Cabinets
 Power & Thermal Management
 Data Center Solutions

Bulk Copper and Fiber Cable
 Highspeed Category Cable
 Outside Plant Solutions
 Electronics & Security Cables
 Transportation & Mobility
 Power Cables

Perimeter intrusion detection
 Dual laser protection for reliability
 Direct Buried & fence mounted sensors
 Native Video Mgmt & Analytics
 Facial recognition, head count etc

Building Entrance Terminals
 Central Office Protection
 High Density Rack-mount Systems
 Low Voltage Security, CCTV & Access Control

Copper testing & certification
 Fiber testing & certification
 CCTV Installer - Time Saver
 Troubleshooting tools to eliminate guess work
 PoE Power over Ethernet Testing
 OTDR & Profinet Testing

Smallest & Lightest Core
 Alignment & Ribbon Splicer
 Splices ALL brands of Splice on connectors
 6 Second splice, 6 Second heat
 3 Year Manufacturers Warranty
 Precision Cleaver

ABF Air Blown Fiber Solution for Enterprise and OSP
 FuturePath Flex - for future growth
 High Density Poly Ethylene conduit
 Standard HDPE conduit/duct
 PinPoint - Traceable duct

Wireless Ethernet Mesh Solution
 Self-adapting network where each radio is a repeater
 Simple Install, Plug & Play
 Up to 80 Mbps throughput & 20 radios
 Works with VoIP, Security Cameras, IoT systems, & any internet access.

Optical Transceivers up to 100 Gig SFP, QSFP28
 Superior Performance
 Competitively Priced
 DAC Direct Attach Cables
 AOC Active Optical Cables

Traceable Fiber Patch Cables
****Corning Gold Certified****
 Copper Patch Cables
 Media Converters
 Power Cords
 TAA Compliant

Multi Cable Transits for Floors, walls, decks, bulkheads, etc.
 Stops fire, smoke, sound, water rodents, & prevents explosions
 Is a thermal barrier
 Easy MAC, No maintenance

Emergency Phones & Broadcasting
 InformaCast Enabled
 Integration with CCTV
 iGuard Phone health monitoring system
 2 Person easy install
 Happy to Customize
