Copper & Fiber for Superior Quality end to end solutions
Data Center Solutions · UTP & STP CAT6A & CAT6
Racks · Cabinets · Cable Routing & Management · Labeling
Wire Basket · FiberRunner · Power Systems UPS & PDUs · Fault Managed Power

Bulk Cable · Copper · Fiber · Highspeed Category Cable · Outside Plant High Pair Count
FTTH Solution · Broadband FTTH Solutions · Flex Ribbon Technology
Part of the Warrantied PanGen Solution with Panduit

Fiber & Copper Assemblies · Media Converters · Copper & Fiber Power Cords
TAA Compliant · Corning Gold · Non TAA Economical Options
MOFO Media over Fiber Optics · HDMI, USB & Display Port Cables

Tools & Tool Bags · Crimpers · Cutters · Strippers · Rhino Safety · J Hooks · Testers
Coax Connectors · ezEX-RJ45 Connectors

Software for Cyber intelligence, public safety & SMART evacuation procedures.
Locate, Intercept, Monitor & Analyze criminal communication & network activity
Integrates with 3rd party components to deliver perfect solution

Vendor agnostic DAS antennas, splitters, tappers, mounts · Indoor/Outdoor Enclosures
Integrated Wireless Power · 2 Year Warranty

HDPE conduit/duct · Air Blown Fiber Solution · PinPoint · Traceable duct
FuturePath Flex for future growth · Multiple Pathways under one jacket

Emergency Phones for Campus Environment · Broadcasting · Integration with CCTV
2 Person Install · Happy to Customize · 5 Year Warranty

Optical Transceivers · DAC Direct Attach Cables · AOC Active Optical Cables
Media Converters · DWDM and CWDM Rack Mounted or Modular solutions

Smallest & Lightest Core Alignment & Ribbon Splicer · Precision Cleaver
6 Second splice 6 Second heat · Fiber Optic Consumables
Splices ALL brands of Splice on connectors · 3 Year Warranty

Copper & Fiber testing & certification · OTDR · PoE & Profinet Testing
CCTV Installer · Network Ethernet Cable & Bandwidth Tester

Data communications Industry specific Staffing Agency with field trained recruiters
Video link interview along with resume for candidates
BICSI training facility available to train and verify knowledge base
